Your experience and outlook

Please answer the questions below. Feel free to submit any additional documents that you believe may be useful in our assessment of your application and/or support your answers.

1. Please write a brief summary of your contribution and accomplishments in terms of voluntary activities, particularly any project that relates to an Armenian community or organization.

2. Please write about any project, organization or initiative you are, or have been, involved in and which might benefit from the skills or greater experience you expect to gain at this seminar. Please focus on any aspect of these activities which relates to the topic of the seminar, i.e. how the perception of identities affected the outcome of the project, or the support you obtained from third parties. How did you deal with this? What lessons can be learned from the experience?

3. If leadership is about helping a group to achieve a common goal, how would you describe the main challenges of leadership from your point of you? What do you think you need to learn? What are your own leadership goals?

4. Please indicate how you will share your experience with others after the seminar (e.g. meetings, articles, etc.).

5. Feel free to share any comment or suggestion regarding the seminar (optional)
